## ATTENTION

Please do not connect any powerful electrical appliances other than those in the camper, which are limited to a total of 2200w.

To close the windows of the caravan, they must first be fully opened.

The awnings are rented with pegs and must therefore be returned in this way at the end of the stay. In the event of a gust of wind, the hirer who has loosened the pegs will be held responsible for the damage.

The tenant is liable for all damage caused by improper use.

The hirer declares that he/she is in possession of private liability insurance and is therefore adequately covered for the risks associated with the hire of the caravan. The insurance is at the expense of the hirer.

- We cannot be held responsible for the loss or theft of personal belongings.

-The complete inventory with rates in case of loss/breakage is available on site.

We thank you for your understanding and wish you a pleasant holiday
